ACS ADMINISTRATION DAY 2021

SPEAKER PROFILES

Shauna Gallagher

Mental Health Nurse / Author, Christian Relaxation

Shauna has a calling on her life and a real desire to reach those whom God places on her path. Her deeply empathic nature finds her connecting well with people from all walks of life. Having experienced mental health issues in her family adds a further dimension to this, allowing Shauna to relate to the struggles that can arise in these situations.

Working in the mental health field has given Shauna the opportunity to express her love for God and people through the writing of her first book. Combining her career with her faith has drawn her closer to understanding God and how He has so intricately and beautifully designed our bodies.

Through her passion for mental health, Shauna seeks to share the Word of God by combining scientific research and Biblical principles. This not only helps improve mental health, but also helps to draw the person into a closer relationship with God.

Through training as a Registered Nurse, her subsequent move into the mental health field and then studying her Masters in Mental Health Nursing, Shauna's lifelong passion for helping people has taken her on an exciting journey of discovery.

Shauna enjoys making connections with others through her many roles as a wife, mother, grandmother, daughter, sister, friend, mentor and colleague. Now as an author, Shauna enjoys further connections through speaking events and workshops, helping others to understand better mental health and a closer walk with God.

Jonno White

Founder and Principal Consultant of Clarity

Jonno White is the founder of Clarity for Christian Schools, a consultancy based in Brisbane that exists to see a day where Christian schools are the healthiest organisations in the world.

Jonno is passionate about investing in people to become everything they're meant to be and he previously worked as youth pastor at Gateway Baptist Church.

Clarity for Christian Schools provides one-on-one coaching, leadership team offsites and keynotes and workshops for conferences and staff teams to help build Christian schools that employees love to work at, students love to attend and families line up to enrol in.

Michelle Murray

Event and Operations Manager of Associated Christian Schools

Michelle Murray is the Event and Operations Manager for Associated Christian Schools. Michelle is passionate about project management and has over 20 years' experience in organising and managing events, such as conferences, seminars, workshops, symposiums, inductions, training sessions, team building and sporting events. Michelle obtained a Bachelor of Business (Marketing Major) in 2019 and enjoys reading, exercising and spending time with her family.
